Summary / Self Description

I am an optimistic person, well-driven and passionate in the things I do. I take my work with full responsibility and I am a conscientious person. I believe in myself and I strive for the best. I am also compassionate in helping the less fortunate and am willing to lend a hand and be part of the community service.

Pursuing a career that involves working with people of a common interest and having to be part of the new media platform. Enjoys interacting with people, managing event and I am passionate in coming up with new ideas in design and also generally interested in post video production.
